

Now there's a way to control your spending, but still enjoy the convenience of a debit card. Simply carry our prepaid debit card.

Load up the card now. Add money to your account any time.

Our prepaid debit card helps you manage your money because it's pre-funded. That means you can only spend the amount on the card. We even give you an online management tool so you can track your spending just by checking your computer.

Want to spend more? Then add more to the debit card. You can load additional funds onto the card simply by going to the on-line management tool. Then use the card wherever debit cards are accepted.

Avoid being overdrawn. Eliminate overdraft fees.

Since you can't spend more than what's loaded on the card, you'll never be overdrawn. That means no overdraft fees. No embarrassing mistakes. Our prepaid debit card is also very safe. That's because it's not linked to any

account, so if it's lost or stolen, you won't have any risk. And it's much safer than carrying cash.

Just spend a few moments to order it today.

To receive your prepaid debit card, fill out the attached form now and drop it off at the credit union right away. It's the smart way to spend your time and money.
